Speaker Profile

Dana Mincey-Breaux delivers talks and workshops for founders, operators, policy/education leaders, and investors who need practical execution systems—governance, timelines, accountability, and institutional endurance.

Signature Topics

- **From Vision to Delivery** — Execution systems that turn ambitious goals into measurable outcomes.
- **De-Risking Big Bets** — Governance, timelines, and accountability for complex initiatives.
- **Institution Building 101** — Designing programs and platforms that outlive the founder.
- **Capital Fluency for Builders** — Communicating risk, return, and credibility to decision-makers.
- **Operating in Distributed Teams** — Leading across time zones without losing velocity.

Formats

- Keynote (30–45 minutes)
- Panelist / moderator-ready talking points
- Workshop (60–120 minutes) with templates and takeaways

Best-Fit Audiences

Founder communities • Professional associations • Universities and fellowship cohorts • Nonprofits and foundations • Corporate operations, innovation, and compliance teams

What Attendees Leave With

A clear execution framework, practical templates/checklists, and a next-30-days action plan tailored to the room.
